

Alexandria has left us

May 3, 1988 - October 27, 2014

dear friends

it is our sad task to tell you that on october 27th our daughter alexandria died in her sleep. per her wishes, her body is in transit as a [donor](#). alexandria's father and I, her siblings montana, gala and sister-in-law Jennifer are absorbing this tragedy. Her death was an awful accident; she was excited about many things in her life at this time. we think of her as a girl with tremendous spirit who battled valiantly against the things that troubled her. we remember her love of life, music, people, style and culture. she was a powerful and commanding woman, a good friend to many and a leader in her own right. she loved to sing and did it well. she had a limitless capacity for conversation. we have her art work and her music. she leaves a great void in the lives of all who knew her for her's was a big personality. This world is a sadder place without her in it.
